PROJECTS

ACADMENT

ACADMENT is an e-learning platform that provides a comprehensive suite of online learning and educational resources. It is designed to help students and educators access educational content and resources in an easy-to-use, online format. The platform offers a variety of courses, tutorials, and other educational resources to help students learn at their own pace.

BIGVACANCY

Bigvacancy is an online job search platform that connects job seekers with employers. The platform allows job seekers to post their resumes and search for jobs across a wide range of industries. Employers can also post job openings and search for qualified candidates. Bigvacancy offers tools to help job seekers prepare resumes and cover letters, search for jobs, and apply for positions. The platform also provides resources to employers for hiring and managing employees.

REAL ESTATE WEBSITES

https://www.shreeramcomplex.com/
https://lotus.tugdeals.com/

Both are the real estate websites. They provide detailed information about properties, including pricing, photos, location, and amenities.
